Package, PR-
COIN Learning
Sessions,
Webinars

Then Run Stuff Through It

PR-COIN QI Offering

Quality Improvement

PR-COIN is first and foremost a Quality Improvement Collaborative network

Key QI offerings:

- QI Fundamentals Course / QI Coaching
- Co-produced Materials and Infrastructure
- Monthly Action Period Calls
- QI, Data, Informatics, and Research Committees
- Learning Sessions

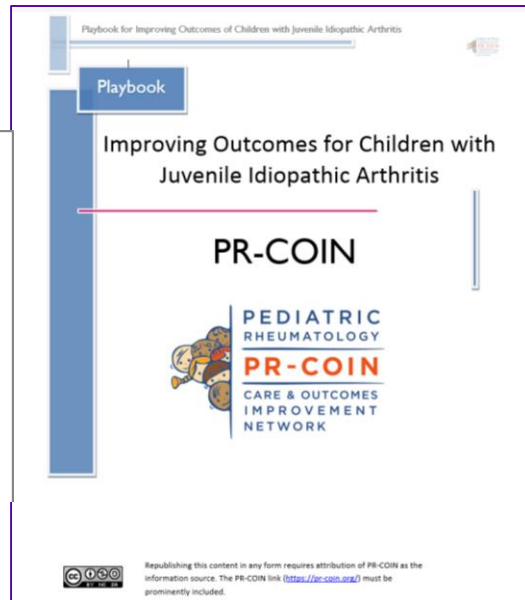

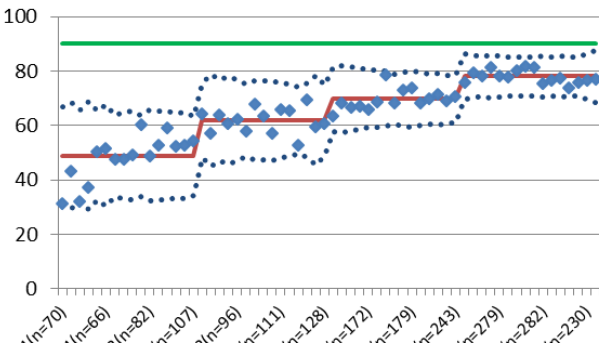

QI Fundamentals Course

- All centers are expected to complete this course
- 3 to 4 months duration
- Teaching and coaching through 4 sessions
 - About 1.5 hours each
- Based on Model for Improvement
 - IHI: Institute for HealthCare Improvement
- Applying QI methodology and tools to projects
- Ongoing use of QI methods including measurement and PDSAs

Monthly Action Period Calls

- **Involve** and **engage** entire network
- Highlight key network activities and performance
- Center Level information:
 - Evaluate progress, identify hurdles and possible solutions
 - Share best practices and learning opportunities
 - Celebrate success!
- Frequency: Monthly, repeated
- Earn MOC part 4 credit for attendance and active participation

Example PR-COIN Resources

Treat to Target:

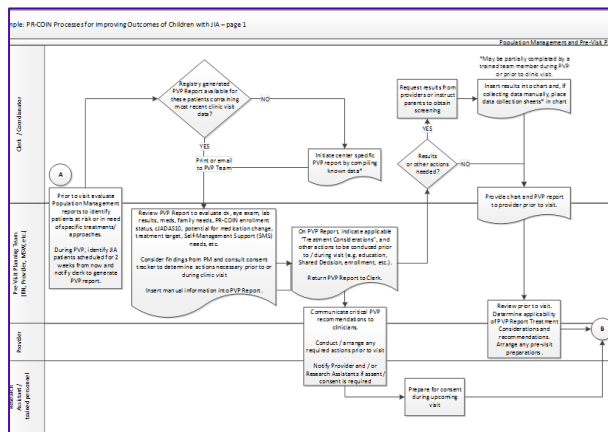

Polyarticular JIA Treatment Algorithms

Disclaimer[†]:

These treatment algorithms are based upon the opinions of Rheumatology staff members of Children's Hospital of Philadelphia and PR-COIN's Treat to Target Algorithm Work Group. These treatment algorithms may apply to your patient, however treatment should be individualized and based upon the clinical condition of each patient.

1. Republishing PR-COIN content in any form requires attribution of PR-COIN as the information source. The PR-COIN link (<https://pr-coin.org/>) must be prominently included.
