

[Program Name] CF Learning Network Team Family Partner Job Description

Purpose of the Position:

Parent Partners work with us to improve the experience and outcomes of care for children and adolescents with Cystic Fibrosis. They represent the voices of parents, family members and patients by sharing their insights, thoughts, and opinions about what works well and what needs improvement. They help us to understand what it is like to receive care here and what needs aren't being met by bringing their own ideas and by talking with other families about their experiences. Parent Partners work in collaboration with physicians, administrators and staff to identify opportunities for improvement, test innovations, and create tools and resources.

Opportunities for Involvement:

Learning Network Quality Improvement (QI) Team Member: Meet monthly with core QI team to discuss care, programs and policies, identify improvements and co-produce innovations, tools, and resources.

You are a good candidate for Parent Partner if...

- You are interested in partnering with your care team in a new way
- You are comfortable working in a group with individuals at different levels in an organization and with different backgrounds
- You are comfortable sharing insights and experiences – your own AND those of other families - in productive and solution-focused ways
- You have a passion for enhancing the health care experience for all families
- You respect diversity and differing opinions
- You want to collaborate on identifying needed and possible improvements and testing new ideas
- You can make a one-year minimum commitment
- You can attend monthly meetings at least 80% of the time, in person or virtually

What do you get in return?

- An opportunity to have an impact on the quality and outcomes of care
- A forum to share your story and ideas as well as those of your peers for healthcare improvement with a clinical audience
- Support for the development and testing of innovative solutions
- A \$___ honoraria for your participation attending QI monthly meetings and support for attending the semi-annual community conference

How do I apply?

Contact _____ at _____. We will contact you to set up a time to discuss your interest and to get to know you better.

Thank you for your interest!

Additional opportunities for engagement are also available. These may include volunteering at an CF Learning Network event at your center, putting together materials or care packages, reviewing educational materials, sharing health care experiences with team members or peers, testing a new app or tool that supports patient care, or other. If you are interested and available for short term of one-time opportunities, please contact _____.
